

Accessing your training through a link

Your organization has sent you the link to a Teach Up course. Here is how to create your account and get started in a few minutes.

1 Open the course link

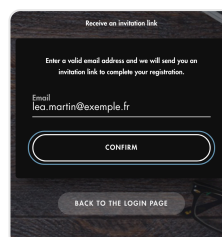

The course login page opens. First visit: click « **Create an account** ».

Already have an account? Log in directly on this page.

2 Request your invitation link

Enter your **email address** and click « **Confirm** ». A message confirms that the link has been sent.

3 Open the email from Teach Up

You receive an email from **noreply@teachup.com**: « Finalize your profile to access Teach Up ». Click « **Finalize my account** ».

Finalize your profile to access Teach Up

To access Teach Up, you must first finalize your account. To do this, click on the following link and fill in the missing information:

[FINALIZE MY ACCOUNT](#)

4 Create your account

Enter your **first name** and **last name**, choose a **password** (rules shown below the field), tick the two required boxes, then click « **Finalize my account** ».

5 Next time

Open the course link again, enter your **email** and **password**, then click « **Login** ».

FINALIZE THE OPENING OF YOUR ACCOUNT

First name*

Léa

Last name*

Martin

Email*

lea.martin@example.fr

Password*

••••••••

Your password must be at least:

- 8 characters
- 1 uppercase and 1 lowercase letter
- 1 special character ⓘ
- 1 number

☐ I accept Teach Up's terms and conditions of use*

[Download](#)

☐ I accept Teach Up's privacy policy*

[Download](#)

☐ I authorize Teach Up to analyze my usage data to improve the development of new features

[FINALIZE MY ACCOUNT](#)

Tip: always use the same email address, the one at which you received the link. Keep your password somewhere safe.

If you get stuck

- **Forgotten password:** on the link page, click « Forgotten password ? ». The link you receive by email is valid for one hour.
- **Your password is refused:** if you have not created your account yet, click « Create an account »; otherwise, use « Forgotten password ? ».
- **No email received:** check your junk mail folder and the address you entered, make a new request, then contact the person below if needed.
